Notes:

1. All premiums are indicative and subject to change.

2. Times are shown in GMT and may change due to daylight savings time. Please note that trading may open or close a few minutes after or prior the mentioned times (this depends on the exchanges that the contracts are traded on).

3. Margin requirements can increase based on position size.

4. The high degree of leverage that is obtainable in the trading of off-exchange foreign currency transactions can work against you as well as for you. Leverage can lead to large losses as well as gains.

5. For MT4 Only: Positions will be credit/debit for 3 days on Wednesday end of day. There is no premium credit/debit on Saturday and Sunday.
