

## **API Usage Guidelines & Conditions**

The undersigned hereby agrees to use the trading platform APIs supplied by Ava in good faith and with legal intent and purposes only.

The API is supplied as is and any usage of such API is strictly the responsibility of the user. Ava, its subsidiaries and associated companies, employees, and suppliers will not be held responsible for any results or actions that might arise from the use of the API.

Ava does not permit the practice of arbitrage on Ava's platform. Ava strictly forbids any form of manipulation of its prices, execution, and platform. Ava reserves the right to investigate and review any account Ava suspects of manipulation and withhold funds suspected of being derived from such activity. The foregoing list is not meant to be exhaustive and in the event of a quoting or execution error, arbitrage strategy or manipulation, Ava reserves the right to make the necessary corrections or adjustments on the account involved. Any dispute arising from such quoting or execution errors or prohibited activities will be resolved by Ava in its sole and absolute discretion.

The above is in addition to the Risk Disclosure Statement and the Customer Account Letter under the Terms & Conditions.
